“ I'm saddened to hear of your passing old friend. Though many years had gone by, I've always looked back at the memories. You and your family were a big part of my childhood and I thank you for all the great memories. I will always remember playing basketball with you, learning how to play hacky sack, learning to skateboard, spinning tops, football on the street,.....many good memories of you Adolfo. My condolences to the Saldana family. May you Rest In Peace old friend.
