“ *To my brother: Alfredo, have been remembering the good old days when we were growing. As you know, Elizelda, Arnoldo, Alonzo, and you, we grew up together and you and the rest of your siblings have been my brothers and sisters. I feel very lonely since three of you are gone now and I only have Lolo left. My heart is aching so much, but I know that you are in a better place, you are not suffering and are surrounded by the family. Rest in peace my little brother and I love you so much.*
