“ *Dearest, Anita*  
*I was so sad to hear of your passing. We prayed everyday that you'd recover and come home, God was ready and called you home. I know your family has been left feeling empty and in pain, but you are now free and walking the streets of Gold in Heaven. Enjoy your celebration with all your loved ones and give my father a strong hug for us. Rest In Peace, Anita. I love you! 🥰*

💔😭... *She was such a sweetheart of a woman. I feel so saddened for your loss. I stayed owing her a visit to her shop.... She was a pleasure knowing and joking with her. Always willing to help me make special purchases to treasure as she was a treasure herself... Her children have now endured a great loss. Our deepest condolences to the family. From my pops and I. I can only hope we shall be in close touch when our time comes. Elizabeth Sandoval, just know I'm just a call away.💔*

“ Anita, I have known you since I was 18 years old, now 35 years old. Im always gonna remember all the memories we had at the shop, sitting day after day together for YEARS, laughing and talking about anything and everything. You gave so much love to my baby girl. She remembers all the wonderful things about you. Seeing her cry while saying "she was so good to me mom," brought tears to my eyes. And for my mom, she adored you. You were her best friend, someone who looked out for her in protective ways. You kept her in place with her health. Even when you were heading to the hospital, you still managed to worry about my mom before yourself. You are a selfless person. You are someone that my family has come to know you as family to us. I WILL FOREVER BE THANKFUL FOR THOSE MEMORIES. I love you Anita. Mom misses your visits at the shop.
