“ *My Father was always a kind, caring and nonjudgmental man. He was a great father and an even better grandfather. He loved my daughter and the ones that weren't blood very much. I have so many memories with my dad its hard to even list one. I remember being little and wrestling with him and our dog JoJo. He was always smiling and laughing, he never was angry. I love you daddy and miss you so much!*

There is not a day that goes by that I am not thinking about you. I miss you so much, you were my daddy and I feel like I didn't get enough time with you. You were too young to be taken from us so soon. its so hard not seeing your face or talking to you. I love you and miss you with all my heart. I am forever broken!
