

Audrey Arlene Beck

February 6, 1956 - February 3, 2024

Audrey Arlene Beck, 67, a beloved resident of Kingsville, Texas, departed this world on February 3, 2024, in her hometown. She was born on February 6, 1956, in San Benito, Texas, to her loving parents Arthur and Carol Richey.

Audrey was a woman of remarkable character, known throughout the community as the proud owner and operator of Double A's. However, her true pride and joy in life stemmed from her roles as a devoted wife and mother. Audrey's heart overflowed with love for her children, and she cherished every moment as a Meemaw to her grandchildren and great-grandchildren. Her nurturing spirit extended beyond her family, as she generously opened her home and heart to anyone in need, earning her the title of a friend to all.

Survived by her devoted husband of 43 years, Edward Lloyd Beck of Kingsville, Audrey leaves behind a legacy of love and family. Her memory will forever be etched in the hearts of those who knew her, including her daughter Mechelle Harbison of Kingsville, sons Michael (Kendra) Harbison of Riviera, and Mark (Jessica) Harbison of Atlanta, Texas. Additionally, she is survived by her brothers Vance (Sherry) Richey of Bishop, David (Denise) Richey of Corpus Christi, sister Debbie (Danny) Gillis of Mechanicsville, Virginia, along with fifteen grandchildren, eleven great-grandchildren, and a host of aunts, uncles, cousins, nieces, and nephews.

In honoring Audrey's life, a private service will be held at a later date. The family extends their gratitude for the outpouring of support during this challenging time. Arrangements are under the compassionate care of Ramirez-Salinas Funeral Home.
