I attended every football games to see you in action. You were an outstanding fullback! The Highlands University Cowboys were awesome at the time. After Highlands it was always so nice to see you and visit. You will never be forgotten. Rest in Peace my friend. I ask that Our Lord welcome you into the light of HIS face. “ Benny was the nicest guy, he always had time for everyone and he always looked forward to getting together in Las Vegas, NM and Santa Fe, NM. He made a point of always talking to me and making me feel welcomed to this NMHU family. He loved all of us!
Tom, my late husband, loved Benny and always had praise for him as a person and a player.
He definitely will be missed!
He's flying with the angels!
Rest In Peace Benny! 💜🙏💜

“ Benny was a 100% effort football player on every snap of the ball. He was physically as tough and aggressive as any of his Cowboy teammates. Off the field, some of the things he did were quite colorful, such as "dressing" a deer in his and his roommates' dormitory shower! On the field his competitive spirit flowed through to his fellow teammates, and he was a large contributing factor in our team's success. He was certainly deserving of induction into the New Mexico Highlands "H" Club Hall of Fame. Most importantly, Benny was a true friend. He will be sadly missed by all.

“ BEN is a member of the New Mexico Highlands University Hall of Fame. As a freshman he broke the single season record in scoring with 63 total points. Ben played in the same backfield with future NFL Rookie of the year, Carl Garrett. He was well respected as a player and teacher/coach. He was beloved by his teammates and anyone who was lucky enough to know him. Ben never forgot his roots in Kingsville or his Alma Mater. NM Highlands University will always remember "Choo-Choo" Cortez. Ben, HU will certainly be thinking of you & missing you at all future Football Homecomings. Syl Perez, & NMHU Athletic Alumni "H" Club.

“ First met Ben when we were both Freshmen at New Mexico Highlands University in 1965. I was a walk on and had to prove myself to get on the Football Team. First practice and most all practices included Defensive Backs vs Offensive Backs Tackling Drill. First man up I did really well and got Ralph down but next time around I wasn't as fortunate. I saw this guy in front of me that looked like a Bull ready to run over me. Whistle blew, Drill started and I went at him, got him down but man was it tough. I thought I had collided with a freight train!! That's when I was introduced to the "Best Fullback in Highlands History", MR BEN CORTEZ. What a Player, Great FREIND and Person. Will dearly miss you. “ Ben's son and my son Bill were best friends in grade school. He impressed me as being a great father, an avid sports fan, and a man who wasn't afraid of hard work. I am sure that he passed these traits onto his son. Our deepest sympathies, may he rest in peace.

“ *Our deepest sympathy to my uncle Ben's family in Texas. My uncle Ben was well known and cherished here in Las Vegas, New Mexico. His smile and his voice made you feel he cared and was truly a man who was always willing to help you with something. We would cook up anything and it was awesome, our most fond memories are when he brought shrimp from Texas and treat us to the best shrimp and of course his brisket. People ask for him to cater their party even now. Best we EVER had!! He will be missed here in las Vegas, New Mexico! Valla con dios tio! Until we meet again. We love you*

“ *Coach Cortez was on the Brahma coaching staff in the late 70's and early 80's. I recall that his main responsibilities were the receivers and Special Teams. Coach really seemed to enjoy being an educator. Every once and a while he would tell me a story about his glory days as a football player at New Mexico Highlands. Coach was a good man, may he Rest In Peace.*

Great player, great friend, great teammate but most of a great compassionate human being! It was an honor to be your teammate and roommate in college! God bless you!

I played against Ben (Freight Train) Cortez when he played at Kingsville HS and I at Roy Miller HS. We knew then that he was a great football player. As fate would have it, we both ended up at NMHU. His contributions to the football team on and off the field were exemplary. It was known to those that knew him that these contributions continued throughout life as witnessed by his donation of time to the Special Olympics. As stated by Coach Levra, I recall walking into the dorm bathroom to witness Ben dressing a deer with the precision of a surgeon. My sincerest condolences to the family.
