I was fortunate to have met and speak with Carmen on a couple of occasions for work at the Celanese Site in Bay City, and my impression of her was what a helpful, confident and strong woman. “ *Carmen was our colleague at Celanese and have remained very close friends ever since. She was the best friend you could ever have.*

She was a very beautiful lady with a caring and generous heart. Carmen brightens every room she entered and brought smiles and laughter to everyone's face.

She made sure we remained good friends even after leaving the company.

She was the person that gets everyone together for lunch at Youngs, at Kings's Inn, etc.

She remembered everyone's birthday and made sure something was done about it.

We have all been in shock since hearing about her passing. Our one comfort is that, throughout her battle with cancer, she remained herself,

Carmen never allowed cancer take away her kind and jovial nature. We will sorely miss her.

May her beautiful Soul rest in peace

“ I will continue to pray for Carmen's family. Carmen has left us with so many good memories - it is true - your coworkers become part of your family. Her strength through her journey leaves me in AW. I will miss our talks and checking on each other when working late but she will remain a role model for me.
