“ *I went to High school with Cynthia.
We took Distributive Education (DECA) class together.
We were recipients of the LULAC Council Scholarships.
Near graduation month, we met in the HS Snack Bar sipping on a
cherry coke while exchanging Yearbook & Memories comments.
She will always be remembered every time I open my yearbook
because she was a very sweet and kind classmate.
I am so sorry for your loss.
May Cynthia now Rest In Peace - Raul Meza (Class of 1974)*

“ *I cannot tell you how many wonderful memories you and I have shared together. We have laughed, cried, said some shady words all in becoming the women we are today. You will always be my sister and one of the people that has made my life joyful and complete. Even now I am smiling tempering your infectious laugh as you wave Yoo-Hooo!!!! Some many good memories that life has allowed us to share together. God has taken a beautiful and loving angel to help him take care of all of us. My friend Rest In Peace. Know I and my family will never forget you, Not now, not ever, NEVER!!!! I love you!!!! Yole Garcia*

We first met Cindy through one of Steven's graduate students, David. He is such a nice young man, and we werent surprised how nice his mother was too! Then, Brenda was was thrilled when Cindy came to a FLAIR Woman's Club of Kingsville meeting as a new member. Cindy was a hard worker and a joy to work with. She was enthusiastic in helping with our community projects, and many benefited from her selflessness.

Cindy was my childhood friend. We always shared memories of our childhood & going for a bike ride on the King Ranch loop. I always looked up to her as a big sister. She was such a great friend & was always the life of the party. It was always good clean fun. Another fun memory is that we would ride our horses to check for mail in mailbox off the side of the road on Hwy 77. I will greatly miss my very talented friend with a great singing voice. She'll be singing in heaven with the angels now. Love, Norma V. Garcia
