“ *To Nikko and Dad Ray, Ray and Rene, Vanessa and Chris, and Rudy; I am deeply saddened by the great loss this Family has suffered. My heart goes out to each of you in this trying time and may all of you and your loved ones find the strength in each other with all those wonderful memories Delma has left behind; to get through this. I am forever grateful for the memories as young kids Delma, Marcie and I had; sleepovers and all the funny memories we three made; I will forever embrace and cherish them in my heart - in knowing Delma growing up together. I will surely miss her warm smile. My Family (Gallardo's) and I hope that the love of family and friends will comfort and strengthen you in the days ahead. Know that you and your family are in my thoughts and prayers- rest now my Friend as you are no longer in pain- until we see each other again- Rest in Paradise my sweet friend💛*

“ I’m going to miss seeing her at Walmart Black Friday...we’d see each other every year...she would yell out with a smile “hey girl what are you doing here?”...I’d yell back,” hey girl what are you doing here?...”we’d laugh...we then asked each other what we’d be buying, we’d tell...she then would say,”see you next year”...I’d repeat, “ see you next year“...Walmart Black Friday won’t be the same...I’m sure she’ll be happy to see from heaven that I’m still going to Walmart Black Friday...I know the heartache the family is feeling but I know she’s HOME and in God’s loving hands
