“ My sister , I'm so sad right now , I love you and I'll never forget you.
□ Diana was our 1st cousin, her mom and my dad were brother and sister. So you kids you have close familia in Oklahoma, we been asking Diana if her kids were on Facebook , and we were going to try to visit each other soon, but my sister Jean and Diana were born on the same day , 9/11/60, and Esther and my other sister Linda were like twins, they did the exact same thing, if anyone on Facebook, look us up: Rosemaria Tijerina Garza, Robert Garza , we like to keep in touch .

My dear friend from our barrio.

Diana and I were best friends growing up. I lived on Ella St. Diana lived on Santa Gertrudis. Her grandma Dona Basilia's backyard was our playground. We loved the swings. We used to make mud pies. We used to eat pomegranate fruit off the fruit tree. She loved cats. There was an old piano in her grandmas house. Diana and I used to walk to Colston school and later to Gillett jr high. Diana had a good sense of humor. Her mom, Belia, used to work at Winns. Diana our childhood memories will be forever in my heart. We shared the same birthday month. Rest in peace amiga. May God strengthen her family during this difficult time.
