ME

“ Memories, going back to 1961. It was time for my Junior Prom and my Dad would not trust or allow anyone to take me. But then, since he knew his family, Mingo was allowed to take me. My Dad trusted him, as did I. Good and happy memories. To Sulema and his family: I am so sorry for your loss and I am so sure he is resting in heaven. May he Rejoice in Paradise.

Mingo was a true gentleman. When I first met him, one of the first things I noticed was that he would never curse around me. It was always that way throughout our marriage. God bless you.

“ *Remembering Mingo, He was good at all the things he did. He was probably the best golfer from the KRGP, but he was unbeatable with his golf in attire. Always dressed the best. And for his KRGP FAMILY he will get to the gate of heaven and ask What Town. I am sure he will be missed.*
