“ *My Tia Estela was a beautiful, compassionate, loving, and talented lady. I am sure that She has been greeted with open arms by all of her siblings with whom she enjoyed a lifelong special bond. She loved arts & crafts particularly slip-cast ceramics like her older sister Mary. She not only loved to create ceramic works but she also loved to gift them to her Family. She was a GREAT cook. I loved everything she made like calabaza con pollo, refried beans, carne guisada, arroz con pollo, fideo con carne...Her freezer was always stocked with prepared meals to share with her Family. I am grateful for all of the stories she shared with me and my mother about the good ol' days. My Mother always said that Estela had the Best memory of them all. She remembered details like no other. Her memories enriched Ours. But of all of the positive memories I have of her and of my Tio Moreno it is their 30+ year commitment as Foster parents that I most respect and admire. It is because of them that I was introduced to Foster kids as a young teen and it is because of them that I have a special place in my heart for Foster kids. RIP Tia Estela.*
