“ I can't believe that I am even having to write this. I have so many memories of us spending weekends, Summers, Spring Breaks and every Holiday break we could manage. Countless sleepovers and staying up late at night scaring ourselves with stories and laughing until Wela Petra would yell us to be quiet. Every time we talked, we talked about all of the crazy things we did together and those are the memories I'm going to cherish forever. I'll miss sharing our birthday month and you saying "you're next!" I'll love you forever my beautiful cousin....until we meet again. 💔

“ *When we were young I would visit and had a great time, she would make me laugh and cheer me up. Now that we were older she helped me a lot too, she was like a sister.*
