My husband and I have so many memories of Frank or as our kids would call him, Uncle Franko.

My husband Edward met him over 20 years working at one of the electrical companies. Over the years, they just kept on contact even after Frank moved back to Corpus. He always invited us to come over and swim when our kids were little so we have A LOT of memories with him. Unfortunately we were unable to attend his services since we reside in San Antonio but he will forever be missed and we will never forget him. May you rest easy my friend! 🙏🙏🙏
