“ Frutoso, I will remember you forever. Growing up with you as my brother you were the one person in my life that I most respected. You showed me honesty and fairness, great work ethics, and gave me great advice and direction when I was deciding to enlist in the military, Oh, before I forget, I loved hearing you call cadence (atten hut, for'd harch, hep, hep, left, right). Always got a kick out of that. Thank-you for your military service. Tocho, you were a great family man and most of all a Godly person. I will miss you. Your nephew/brother, Jay Camarillo
