“ Gracie was one of the sweetest students I met while working at RISD. She always had a beautiful smile and happy personality. My dog and I always enjoyed seeing her at Sonic especially when she would give Ruby a dog treat! Gracie and her family will be in my prayers. She was an absolutely delightful young woman.

“ My sincere condolences to Gracie's family's and friends. We were in a leukemia survivors support group together. Having people to turn to that know what you are going through makes having this disease a little easier to tolerate. We can vent our feelings and ask the hard questions and someone is always there to be listen and guide us. Gracie will be missed. Her positive attitude and loving spirit has helped so many. Please find peace in knowing she is no longer having to suffer the effects of this horrible disease. My thoughts and therefore my prayers are with each of you.
