“ My mom, Eva Pena and Hilda were good friends. Growing up on Ave. A, you would see her watering her grass in the morning. Walking to my house to talk with mom and of course I will always remember her red truck. My condolences.

“ Tia Hilda held a special place in our hearts. She was Madrina to Joseph and Tia for me and our 2 daughters. We loved her very much. I am especially thankful for the way she accepted me in the family when I first met her and Big Chris. She taught me to cook and laughed when my tortillas looked like sandals. She visited us in FL and GA and met our daughters. Carla and Angela got to know her compassion and genuine love and good nature. She gave of herself to all she knew. Joseph regarded his Madrina as very close to him as she helped raise him. He loved her dearly. We were so blessed to have her in our family.

“ Mrs. Trevino loved life! She was always a step ahead of her time. I admired her strong work ethic, her spunk, and her love for family. She loved to dance, to make friends, always cooking and baking for friends and family. She was a wonderful seamstress, loved her ranch life, and drove her pickup truck far and near. Often fearless, always witty, and a charming hostess. She always made one feel at home. Her joy was her son. Mrs. Trevino delighted in taking vacation trips with Eddie & Odie. (always ready for a new adventure). Spending time and holidays in Austin with them and the grand- kids and great -grandkids made her happy. It was exciting, and so memorable for her. Then, of course, she was a good friend to my mom and dad. Her warm and caring ways with them, and with my family will always be special to me. She will be missed. Ann
