“ *My cousin I am gonna miss you so much. Everytime I will hear the songs you loved, or when our favorite NFL and NBA teams win, I will surely think of you. Most of all I will remember you for the funny man that you were, always making jokes and making me laugh. I know you are exactly where you wanted to be right now, with your parents and your beautiful baby sister. Watch over me cousin, just like you looked out for me while you were still here. I love you cousin....*
