“ I have met a few of your sons but the one who has my heart is Adan . He misses you and loves you all so much not one day goes by that he dont think of you. How lucky you are to be in a much better world and to have such a loving son's ( Adan ). He says nothing but what a great person you are. He says he wished we could have met each other but little does know we already have because he is half of you.

Sincerely,  
Michelle Garcia
