Tribute Wall

“ *I met Chavela in 1999 on an Emmaus Walk. I can still hear her laughter and her stories that she has told. I love Chavela. She will be greatly missed by all. I know without a shadow of a doubt that I will see her again when it's my time is done on earth. She is with Jesus and that makes me happy but my heart is grieving as well.*

My condolences go out to the family!!

“ I remember Chavela decades ago when I was just a child at age 9.

Without my mother (who died in 1962), I attended summer Bible School, joined the choir during Christmas time and also attended church service on Sundays at El Buen Pastor UMC.

Chavela always (always) took me under her wings with a hug as if assuring me that "I am safe" from whatever. This wonderful lady left a great memory within my own Life, to date.

To the family: Please accept my heartfelt condolences.
Gracias, Mr. Raul Avila Meza
