

Jacobo Villarreal

July 22, 1951 - April 26, 2019

Jacobo Villarreal age 67 died Friday, April 26, 2019 at the Kingsville Nursing & Rehab Center in Kingsville. He died on the same day 4/26 that he met his wife 48 years ago.

He was born on Sunday, July 22, 1951 to Manuel F. and Cecilia G. Villarreal in Edinburg, Texas.

He retired from L-3 Vertex after almost 26 years working at NAS Kingsville. He was proud to work on the T-45 planes.

Jacobo was a member of St. Martin's Catholic Church. He was a Corporal in the United States Marines and also served in Charlie's Company Marine Reserve Unit out of Corpus Christi. He was proud to be a Marine and he didn't let people forget it.

He loved hearing Tejano and country music. A Dallas Cowboy and NASCAR fan to the end. He was a very good dancer, enjoyed socializing, and meeting people. He enjoyed his exercise walks around the court house. He loved Whataburgers, Pizza Hut Pizza, Popeye's chicken Wings, and breakfast tacos from Taqueria Martinez. He enjoyed watching sports and being outside with his plants and pets which included his birds, dogs, cats, doves, and chickens as he was raised on a farm.

Jacob graduated from Rio Grande City High School in 1970 and attended Texas A&I University. Even though he didn't have the opportunity to finish college, he made sure his son got the education that he needed.

He was a hard worker never lazy as he was always a very good provider for

his family.

He enjoyed going to the valley once a month to see his family. Enjoyed hunting with his brothers and nephews. Was always worried about his brother but he would take him to the store or to the burger place or just shopping every chance he could. He enjoyed eating at their house and being spoiled by his sisters Elena, Cris and Elva when visiting. He would try to visit as many family members as he could in his visits to the valley.

After he retired, he enjoyed eating and socializing and participating in the bingo games and events at the Kleberg County Human Services Center. He had the pleasure of meeting and getting to know a lot of his table buddies including the late Lalo DelaPaz, the late Jesus Garcia, and the late Adan Perez. Also sitting at the table were Juan Alaniz, Arcadio Amaya, Gilbert Castillo, Fred Rodriguez, Ernesto Rodriguez, Danny Reyes, Mrs. Yolanda Chavez, Juan Lozano, Gus Garza, and Eladio Martinez. They had their share of laughter and enjoyed sharing stories at their table. He enjoyed singing for the nursing home music ministry with Liz on Sunday mornings. He enjoyed the rosary with Emma, Maggie, and MaryAnn, and church services on Sundays with Emma. He was a member of the Alianza De Oro organization. He was outspoken, witty, often stubborn, and set in his own ways and often speaking loud, he would not realize how loud as he would state this was due to working under the jet planes for so many years. He enjoyed being the center of attention at the nursing home and sharing his goodies with everyone. He was spoiled by the staff.

He enjoyed traveling and was in Japan, California, Washington, Hawaii, Virginia, Florida, North Carolina, Nevada, and Mexico.

His greatest joy was when the guys from his work shift would invite him to a restaurant for breakfast. He would even state that after he retired, the guys never forgot about him.

At the nursing home he would wheel around often helping those that needed help. Often times not remembering names he would call everyone Tio or Tia as a form of respect for not knowing or remembering their names. He enjoyed

playing his harmonica and visits from his sisters: Elena, Criselda, and Elva. Thank you to Ms. Crystal Jackson, his niece, for also visiting her uncle in the hospital and nursing home. He would constantly want to help other residents, one time falling down trying to help a resident. He thought he could walk but he was unstable, making it hard for him to cope with his weakness. Often times people would see him, because he was young, and misjudge his situation.

He enjoyed working in the oilfield companies in his earlier years and playing Loteria with his immediate family on the weekends. He also worked in the fields at a very young age as a migrant worker helping out his family. He enjoyed taking Ernesto (Tio Cuate) during their earlier years to all the festivals in Alice, Freer, and San Diego. He was the only one that my Tia Tina would allow to have him call her (Borlotes). He would state she is into everything. Thank you to Dimas, Hector and Olga, Tony, Juan, Cris, Elena , Elva, Sandra, and his nephew Johnathan for visiting him in ICU.

Thank you to the KNRC therapy department for working with him, Yvette, Stephanie, and Jennifer. I know he was hard to deal with and hard to handle but you all had a unique way to motivate him. He was the quarterback of the nursing home, if he wasn't there they wanted to know why. Thank-you to the activity department members Kelly, Glenda, and Amy for putting up with him, especially when he did not win bingo or Loteria. Thank you to all the LVN's and Certified Nursing Assistants. Thank you to Elena the van driver in helping me get him to his doctor's appointments. Thank you to the Skilled Nursing Unit of the nursing home when he first arrived last year there because he was a handful. You all are a group of very dedicated people and who deeply care about your residents.

He enjoyed for his friend from back home Luis Hernandez to visit him and bring him sweetbread at the nursing home. Thank you to Mr. Jose Longoria and Mr. Fred Rodriguez for your constant visits to Jacob. Mr. Fred thank you for the Marine photo.

Thank you to his nieces Cecilia Y. Chapa, Cynthia Villarreal, and Claudia Villarreal for visiting their uncle in the ICU in Corpus.

It has come as a shock to the family, staff employees, residents, friends, and volunteers of hearing of his death. I'm still in a state of shock that on Wednesday he was unconscious from a head trauma to Friday in which he would be classified as terminal and I had to start looking for Hospice because all his organs were shutting down. I'm still having a hard time trying to understand what happen to him.

He will forever be in our hearts.

He was the co-owner of JOJ Gifts in Kingsville. At one time we were at the Corpus Christi Trade-Center where he enjoyed talking and meeting with customers.

On Friday, being unconscious and the sense of hearing which is the last to go, his hands being warm I told Jacob today is Friday the 26 of April, my favorite number and 48 years ago today I met you. I was wearing a red dress with flowers and you were wearing a purple shirt and you were on your way to the Javalina Dance Hall, we stayed talking and you never left to the dance hall after all.

As I was telling him that I loved him very much and it was OK to go, that Joseph and I will be fine. For him to go and rest where he will be free from pain and suffering, where all his family members were waiting for him with open arms. I mentioned the names of family members that have gone before him and I told him when it's my turn, you wait for me with open arms. I prayed the Our Father and Hail Mary and the Psalm 23 to him and blessed him and gave him a hug and kissed him good-bye. Shortly after at twelve noon he took his last breath.

He is preceded in death by his parents Manuel and Cecilia Villarreal, brother Santos, and sister Sofia Villarreal. His in-laws Jose Guadalupe (Lupe) Ramos and Maria G. Ramos, uncle Ernesto (Tio Cuate) Ramos and aunt Ernestina R. Garza (Tia Tina).

Jacobo is survived by his wife of 43 years Ofelia R. Villarreal of Kingsville,

Texas and his son Dr. Joseph Ramos-Villarreal of Laredo, Texas. Sisters: Criselda (Beryl) Hill, Elva (the late Beto) Jackson, Elena (John) Sherman, Luisa (Ramon) Garza, and Sandra (Barney) Soto. Brothers: Heralio (Christina) Villarreal, Juan (Graciela) Villarreal, Dimas (Sylvia) Villarreal, Hector (Olga) Villarreal, Antonio (Alma) Villarreal, and Edwardo Villarreal, all from the Rio Grande Valley area. Several aunts, uncles, cousins, nieces, nephews, co-workers, compadres, and comadres, and his godchildren. Visitations will be held on Wednesday, May 1, 2019 at 5:00 p.m. to 8:30 p.m. with a rosary by Mrs. Emma Ramos at 6:30p.m. at Ramirez/Salinas Funeral Home 230 East Ella Street Kingsville. Funeral service will be at 10:00 a.m. on Thursday, May 2, 2019 at St. Martin's Catholic Church 715 North 8th Street Kingsville with Father Naul Ordonez officiating and Deacon Raul Rosales assisting.

To Love

To love is to share

The good and the bad

The Joy and the Sorrow

Sad days and the glad

To love is to give

Again and again

To please and to pamper

Such joy it does bring

To love is forgive

The large and the small

As forgiving then to forget

Instead to recall

To love is to lose something

Precious and dear

Yet gracefully, give it up to God

Without even a tear.

“ Karen lit a candle in memory of Jacobo Villarreal

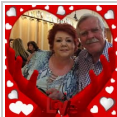

Karen - May 07, 2019 at 09:01 PM

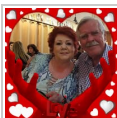

“ Mr. Villarreal was one of the sweetest man I knew. When he came to me to 200 hall I have to admit that he was set in his ways. I understood why he was like that. His sense of independence was gone and hard for him to bear the fact that he was never going home. We showed him that we were family there and that it was okay to be mad. He grew to love us AMD cherish many moments with him good and bad. The main thing that I will always remember him for was that he was one of us. The compassion he had for other made him one of us and he will always be remembered for his service to our country. Mrs Villarreal, my condolences to you and your family. Remember we loved him as our own and we will always remember him, ALWAYS.
