

Jenilyn Jensen

July 9, 1977 - April 28, 2026

Jenilyn Jensen, a beloved wife, devoted mother, and cherished friend to many across the world, passed away peacefully on April 28, 2026, in Kingsville, TX, leaving behind a legacy of love, generosity, and unwavering dedication to those she held dear.

She shared a deep and enduring love with her husband, Kenneth M. Jensen Jr., a partnership built on mutual respect, laughter, and a lifetime of shared memories. Together, they created a home filled with warmth, kindness, and an open door to anyone in need of comfort or companionship.

Her devotion to her family was the cornerstone of her life. She was a proud and loving mother to her two sons, Kenny Jensen and Jace Jensen, who were among her greatest joys and proudest accomplishments. She gave of herself freely and wholeheartedly, always placing the needs of her loved ones above her own. Whether through quiet acts of care or grand expressions of support, she made each member of her family feel deeply valued and endlessly loved.

A creative spirit, Jenilyn found joy in crafting, turning simple materials into meaningful works of art. Her hands were rarely still, and her creations—made with patience and care—became treasured keepsakes for those lucky enough to receive them. Through her craft, she expressed her love in tangible ways that will continue to be cherished for years to come.

She also had a deep love for music in all its forms. Whether listening or singing from the heart, music was a constant source of joy in her life. Her voice—full of warmth and feeling—often filled the spaces she inhabited, bringing comfort, happiness, and connection to those around her.

Known for her larger-than-life personality, she had a gift for bringing people together. Her generosity knew no bounds, and her kindness reached far beyond her immediate circle. She built friendships that spanned the globe, touching lives with her warmth, humor, and genuine interest in others. No matter where her friends lived, they knew they had someone who truly cared.

She will be remembered for her boundless giving spirit, her radiant presence, and the deep connections she fostered throughout her life. Though she is no longer with us, her love continues to live on in the hearts of her husband, her sons, her family, and the many friends who were blessed to know her.

Jenilyn is preceded in death by her father, Dean Marcaurette; and her mother, Revenda Park.

Survivors include her husband of 25 years, Kenneth M . Jensen Jr. of Kingsville, TX; Two sons, Kenny Jensen of Belmont, North Carolina, and Jace Jensen of Kingsville, TX; sister Myra Foutris of Chicago, Illinois; and several extended family members.

A cremation will take place and a celebration of her life will be held at a later date, where all who knew her are welcome to gather, share memories, and honor the remarkable woman she was.

She will be deeply missed and forever remembered.

“ *Jen was a shining star in our life. Words cannot express our sadness for this loss. She was a beautiful woman inside and out. Her devotion to her family was never ending. We loved those mornings when the doorbell would ring and Kenny or Jace was standing there with some yummy baked goods for us. Ken, Kenny and Jace you are in our prayers and thoughts. We love you*

“ *Day 1: Nighttime NAF Atsugi, Japan. She moved in across the hall from me with her brand new husband in the BOQ. Kenny introduced us. I am fairly certain my first words to her were to stop smoking (yes, I can smell), and I am fairly certain her first words to me were to stop being a dick (yes, I struggle to keep my mouth closed when I should), and everything that happened after that allowed me to be chosen by them to be the boys Godfather. One of my life's greatest honors. This hits hard, what a blessing to have Jenilyn as part of my life.*
