“ Was asked to post something I had already posted elsewhere ... Any student that went to Gillette School knew Shorty and mainly saw him at breakfast and lunch time. He had nothing but big smiles and always tried to greet every kid that ever crossed his path, he made these kids know that each and everyone of them was a somebody in this world. He made a difference to many children for many years. He was very respected by all the kids cause he talked WITH you ... not down at you. If any of the kids needed to talk, he really truly listened. If he saw sad faces, he'd just had to smile at them to cheer them up or just say something cute or funny ... he had a great sense of humor and was always looking out for the kids ... everyone could tell he loved what he did . . . my condolences to all of his family (including Gillette Kitchen Staff, Gillette Staff and KISD Maintenance) ... so sorry for your loss :(Kingsville lost a great man.
