“*Condolences to Saul and Manuelito and all of Mrs. Longoria's family during this very difficult time. I had the pleasure of meeting and calling Mrs. Longoria my very good friend over the years. She was a wonderful woman who loved life and brought so much happiness to my family, caring for my father in law and eventually becoming part of my family. We would sit and talk for hours about life our dreams and our trials. We got to meet Manuelito and soon Mr. Longoria and Manuelito became part of our family. Cafesito and pan dulce were always available and we fully enjoyed them while we laughed and cried together. I will always cherish my memories of Mrs. Longoria and never forget my dear friend. May you always watch over your family and know how much we love you and how much you will be missed. Your friend, Yolanda Garcia.*
