“ Oh grandma!! How you will be missed, but you are resting now and we will always love and remember your beautiful smile. My earliest memory I can recall, is putting on your high heel shoes every time we went to visit you at your corpus apartment, I remember being extremely excited when you took all the oldest grandchildren to sea world. Waiting by the window really late just to see if you had won bingo so that we can have doughnuts in the morning, the time you showed me how to make pan de polvo. You looked so beautiful on your wedding day and I am so happy I had a chance to be a part of your special day. You had a wonderful life surrounded by people who loved and adored you. I love you grandma. (Just don't tickle my feet please) muah💋
