“ *My Tia Licha , I will always carry your love in my heart . You were like a mother to me in my youth, always there to guide me , to share the love you had . I am crucified, I am dead yet I am alive but rather it is Christ that lives in me . The outer man is fading away as the inner man is renewed daily . Heaven has gained the most beautiful loving caring spirit that I have ever known . Till we meet again I love and miss you my Tia Licha .*
