“ *Martha, we never got to meet you, but your son Frank shared some beautiful pictures and memories that told just what a wonderful mommy you were to him. You have raised a wonderful man and we are thankful to have him in our lives.*

You have earned your Angel Wings and God has received you now. May all the wonderful memories you have left behind help to console all the heavy hearts of all who have loved you and I pray that they all will find comfort and strength in knowing that you are at peace now.

“ My beautiful aunt Marta was an Angel on earth. This yellow candle represents the sunshine she was to all her friends and family. Her love was pure, her kindness was endless and always put others needs before her own. Her love for her family was immeasurable. Her family was her crown. She was there to help those in need with her fabulous cooking and her Pan de Polvo cookies were second to no ones. She was very intelligent and was ahead of her time in computer programming. There was nothing more pleasurable than the time I spent with her. I will miss her so much and she will always be in my heart , memory and conversations. I love you tia.
