“ My deepest sympathies to the whole family. Terry, I have not seen you since way before you graduated high school, perhaps middle school. I'm your mom's cousin. Used to visit her when I was in town which was not often. I just adored your Grandma who was my dad's sister. Dads' because I was adopted by our uncle Edmundo from your uncle Fere. Visiting with your mom was always pleasant when I could find her. She was always busy if not at her business then at home. She always had good things to say about you znd Joey. May God guide you through these hard times. Stella Barrera Elizalde
