“ *To my baby sister, I will forever miss you. I'm thankful for the lifetime of memories I will forever cherish. I remember when we were little you were so funny with the different things you would do. I also remember when we had our sister sleepover a few years ago and we all stayed up really late reminiscing on the past. Then in the morning we were so stiff we couldn't get up. There is so many memories I could go on for hours, but I will leave this message with I love you and until we meet again 🙏 Mi más sentido pésame*
