“ Grandpa Pete you will be missed by so many!
I love you with ALL of my heart. Thank you for everything you've done for me. My favorite memory of you is when you use to tell Mom and Grandma that you were taking me to do daycare and you would just end up taking me to the barbershop with you instead. I remember when asking you for candy, you would tell me to reach into your pocket and I would always find those strawberries ones. Thank you for teaching me to swim, fish, and so much more. Thank you for loving me the way you did Grandpa. I miss you and love you sooo much.
