“ *My deepest condolences to the Escamilla family. To a dear friend who has passed. I'll always remember the times we played pool at the University, the BBQ's we had at my grandfathers back yard. All the talks we had, the jokes, and laughs. Rest in peace my good friend. You will always be remembered.*

“ *Every time we'd come to kingsville I'd ask my mom to drop me off at Danny Boy's. I loved my cousin soooo much. We'd camp in the living room with a fan chairs and sheets for tents. As teenagers we'd drive out to the park drink beer n he taught me how to smoke....lol As we grew older we didn't talk to each other as much. We drifted apart but not in our hearts. When we saw each other again we didn't skip a beat....same old Danny Boy n Jackie duo. I'm going to miss knowing you're not at home in your music room. I love you*
