“ Hello, my husband is Johnny E. Camarillo of Gonzales, Tx. and as we were passing through Kingsville, Tx today, he mentioned he had family in Kingsville and he, along with his parents, and nephew Ruben Morales would visit their family Galvan, in Kingsville. My husband Johnny and Ruben would hang out with Rachel. He verified his Tio and Tia's name...his parents were Petra and Secundino Camarillo of Gonzales, Tx. I looked up Family Galvan in Kingsville, TX. While going through the listing...I noticed the obituary for his Cousin Rachel...he was very sad to know of her passing. Our deepest and most sincere condolences to the family.... we live in Floresville, TX.

“ I am so sorry for yor loss and my heart go out to your family.I knew Raquel for 2 reasons and one being I went to cosmetology school with Clarissa. After befriendng each other to our surprise we found out that my grandmother and her mother were bffs. They once worked together at the Kleberg county Sheriff's department, Raquel the dispatcher and my grandmother (Odilia Colin) a deputy. My grandmother passed in January of 1985 of cancer and now 32 years later is joined by her dear friend Raquel Utley. Heaven now has two of the best angels and what better than the dispatcher and the deputy.

“ It's with a sad heavy heart that we say goodbye to our longtime neighbor, and our personal beloved friend Rachel Utley. I absolutely loved, adored, this lady, and she knew it. I'm very fortunate to have found a very rare beautiful gem like her, that God put in my life for a time. I'll forever cherish our endless conversations, texts, and you calling me on every single holiday, birthday, or just calling me because you were thinking of your beautiful redheaded "Mel" as you would always tell me. I'm thankful to God for giving me the opportunity to spend time with you a few weeks ago. You may be gone but never forgotten. In our hearts will live the memories, that you left with us. It's not goodbye, but we'll see you when its time! We Love You, Rachel!!!
