“ I know it's kinda late to say something but y'all mite know me as James Raul's grandson when I first met my grandpa and me and my brother Carlos stayed with grandma and grandpa I remember grandpa taking us to the back of the ranch and showing us what he was working on and it was a small green truck he was doing some gasket for the heads and I didn't even know what a wrench was he was like pass me the wrench and I was like whaaaa lol but ever since my mother passed away we been with grandpa ever since I looked up to him as a actual father cause I ain't never had anyone to teach me how to be a man or even work on cars and showing me how to have fun in life or how different things in life works and for the past 6 or 7 years since I've been with my grandpa I've learned so many different things from this happy,so talented,smart hardworking man I've made so much money from working with him because he taught me how to fix cars and heavy equipment there wouldn't be another person like this man I wouldn't know we're I would be if I would've never came to this ranch I miss my grandpa so much I wish we could still work on cars together when I work on something by myself I can already hear you saying that's the wrong socket boy run over there and get me another one lol but it does get lonely when I work on stuff by myself cause I don't have you by my side anymore and that's the thing that makes me mad and upset cause I'm not gonna find another you but I think about the good things that come to mind and it gets me motivated because of you and I keep going wish you were still here so we can come home after a long day and watch some movies like we used too I love and miss you it really hard letting go but I know god took you for a reason and I know u want me to finish what you started and that's what I'm gonna do for you and I'm gonna prove it to you and ima gonna make you proud and mom too I ain't never gonna forget both of y'all I love and miss you grandpa you rest now till we meet again grandpa
