“ I had the pleasure of knowing his son Richard and just threw a couple of quick meetings at the sale of a a truck to him I met his dad on a couple of occasions and what I saw was.. They were like brothers. I know you will be sorely missed and welcomed onto the other side by the many who have already arrived before you. God bless you my brother from another mother may you rest in peace always and may your family find peace in your memories. With much love I offer today's Holy Mass and rosaries for his memory and peace. God bless all your family members remaining here keeping your memory alive may they be forever blessed. Nora

“ My favorite memory of my grandpa was when I was first learning to drive I was going real slow on a road under construction coming from Goliad, I was going max 55 because my mom didn't want me messing up her car. I then see a white truck hauling butt going about 95, and when they passed me up I saw it was my grandpa. It makes me laugh to this day, I miss you so much Grandpa.<3
