“ Growing up in Kingsville my favorite thing to do as a kid was to go cut Tia Rosa's hair with my mom Nylvia at Rosa's house. Sitting there listening to her recall memories of my dearly departed Grandmother Odilia. She would always tell me how much I resembled my grandmother and her being the closest connection I had with my grandmother. It was through her stories that I always felt my grandmother walking with me along the way. Thank you for sharing family history with me....I love dearly and will miss you Tia...until we meet again ❤️

“ Tia Rosa,  
Your beautiful smile will always be remembered, May you Rest In Peace, no more pain.  
Prayers for the family for strength, there are no words that can be said to help heal your pain. With time and prayer your pain will be healed but you will always have the memories to keep in that corner of your heart. 🙏

“ My beautiful Tia Rosa..you told me not to be sad when your journey here was finished and OUR ALMIGHTY FATHER took you home, but you forgot to tell my heart that. I know you are at rest now, free of pain and in that beautiful paradise in heaven with Tio. Your voice, your laughter, your sense of humor, and your wisdom will be immensely missed until we are all together again someday. P.S. tell mom and dad and Omar that they are getting their Catholic Mass Service as you requested. Thank you for that. I love you all so very much and not a day goes by that you all do not cross my mind, and in my heart I keep you. R.I.P.

*Aunt Rosa was one of a kind. She and my mom loved each other like sisters. When my mom was sick, Aunt Rosa would go to work and then come over to the house to help me with my mom. She was so good in keeping my mom's spirits up on her bad days. I will always be thankful for all the good things she did for us. I am happy knowing that she is now back together with all those family members that have been waiting for her. I love you Aunt Rosa! Give Mamma and Daddy hugs for me. Rest in peace.*
