“ *The first time I saw Master Chief Hughes he came by the squadron. I could tell he was very proud of his service. I remember the time he shot two turkeys with one shot. He was so excited when he came in the Old Legion. I'm so sorry for his family's loss.*

“ *My sincere condolences to the Hughes Family. Steve was a great mentor and friend who guided a fairly young naïve sailor through his early career. He had a profound impact on me throughout my career and life. His wit, sense of humor and keen mind were never lost on anyone he came in contact with through our time together in DC. RIP Steve and thank you for your service and everything you have done for all of us!*

“ *Rest in piece Uncle Steve! I remember the trip mom, Jason and I made to visit you when you were living in the Washington, DC area! Such fun visiting the museum and national monuments...things I took for granted as a child, but know you were responsible for giving me & Jason that experience. And those hamburger/egg roll things you made were delicious! You will be greatly missed, but I'm sure you received a very warm welcome in heaven by loved ones, including grandma, David, Jason and my dad. Love you! 💔😇🥺*
